| <i>Re-read feedback from Mini Project 1 on 12/3/12</i> | | | | | | | | |

- N.B. (1) Feedback is an ongoing, important part of learning. Tutorials are all part of feedback, as are more informal discussions with your tutor and peer group. Remember, however, that feedback is only of use if it is read, digested and acted on.
(2) Where possible, exemplars of previously completed work will be made available.
